INFORMATION ON EVACUATION OF GERMAN TROOPS FROM NORMAN (1944)

From: STOCKHOLM

To: MOSCOW

No.: 273 ✓

25 January 1944

To VIKTOR(i). 8th Department.

The Norwegian Colonel OSS(ii) stated on 25 January in a conversation with me that, according to his information, QUISLING's visit to HITLER [1 group unrecovered] in connection with the proposed evacuation of the German troops from Northern NORMAN. The evacuation will take place by sea and may extend as far as NARVIK. The evacuation, from what OSS said, has been caused by the isolated position of the German Army in the North and the absence of a battle fleet to protect communications.
